LEADING SUPPLIER OF CEMENTITIOUS FLOOR UNDERLAYMENTS, HACKER INDUSTRIES, INC. JOINS MULTI-HOUSING WORLD AS EXCLUSIVE SPONSOR

NEWPORT BEACH, CA-July 18, 2006 - Hacker Industries, Inc., the leading supplier of cementitious floor underlayments and acoustical control products, announced today that it has returned as an exclusive category sponsor of Multi-Housing News' 40th Anniversary Party at the Multi-Housing World Conference September 19-21, 2006 in Chicago, Illinois.

The key social event to kick off the 2006 Multi-Housing World Conference will be held on Tuesday, September 19 at 5:30 p.m. at the Hyatt Regency Hotel in Chicago, Illinois. "Hacker Industries, Inc., is very enthusiastic and pleased to be part of this industry-leading event not only as an exhibitor, but also as an exclusive category sponsor again this year," said Kerry V. Hacker, vice president of Hacker Industries, Inc.

During the conference, Hacker Industries, Inc. will display its full line of FIRM-FILL® Gypsum Concretes, GYP-SPAN® Radiant, premier sound control systems and new cement-based self-leveling floor underlayments in Booth #216. As always, Hacker Industries, Inc.'s Underlayment Specialists will be on hand during the conference to answer technical questions and provide building design solutions for multi-family projects. For more information on Hacker Industries, Inc.'s premiere line of cementitious floor underlayments, and sound mats, call (800) 642-3455, visit www.hackerindustries.com or email info@hackerindustries.com.
