HACKER INDUSTRIES, INC. SUPPORTS MULTI-HOUSINGWORLD CONFERENCE AS EXCLUSIVE SPONSOR

NEWPORT BEACH, CA-August 28, 2007-Hacker Industries, Inc., the leading supplier of cementitious floor underlayments and acoustical control products, announces its return as an exclusive category sponsor of Multi-Housing News' Party at the Pool Opening Reception at the Multi-Housing World Conference September 5-7, 2007 in Orlando, FL.

The must-attend social event to kick off the 2007 Multi-Housing World Conference will be held on Wednesday, September 5 at 5 p.m. at the Rosen Shingle Creek Resort. In its third year as an exclusive sponsor at the Multi-Housing World Conference, Hacker Industries, Inc. continues to support the multi-housing industry with dependable products and the highest quality, trained Licensed Applicators nationwide who install them.

During the conference, Hacker Industries, Inc. will display its full line of FIRM-FILL® Gypsum Concretes, GYP-SPAN® Radiant, premier sound control systems and cement-based self-leveling floor underlayments in **Booth #614**. As always, Hacker Industries Inc.'s Underlayment Specialists will be on hand during the conference to answer technical questions and provide building design solutions for multi-family projects.

For more information about Hacker Industries, Inc.'s premier cementitious floor underlayments and sound mats, call (800) 642-3455, visit www.hackerindustries.com or email info@hackerindustries.com
